MICHIGAN DEPARTMENT OF LABOR AND ECONOMIC GROWTH

It is the policy of the State of Michigan to assure that equal opportunity will be provided under any contract, program, or activity funded in whole or in part with funds made available by or through any state department, institution, or agency.

All recipients of financial assistance are required to assure the equitable treatment of all persons in the opportunity for employment as well as their access to, and receipt of, program services without discrimination based upon religion, race, color, national origin, age, sex, height, weight, marital state, arrest record, disabled, or other non-merit factors.

This policy applies to all programs administered by the state, sub-grantees, contractors, and subcontractors. All personnel will actively promote equal employment opportunity within their respective organizational units. This policy extends to the active recruitment of female and minority-owned enterprises in the delivery of services related to employment and training.

This policy will affect all employment and training practices including, but not limited to: recruitment, hiring, transfer, promotions, training, compensation, benefits, layoffs, placements, and selection of sub-grantees and contractors.
